Weather Indications

(Special from United Press.)

New Haven, Aug. 27.—Forecast: Fair onight and Saturday.

Showers were quite general during the past 24 hours in the eastern portion of the lake region, in New England, and along the gulf coast. Light scattered showers also occurred from Kannas northeastward to Wisconsin. The greatest rainfall reported was 1.08 mehes at New Orleans, La. An area of high pressure, central over the lake region, is producing pleasant weather east of the Mississippi river. Disturbances are central this morning near Hatteras, N. C., Corpus Christi, Tex., and Winnepeg, Mann. The temperature continues high between the Mississippi river and the Rocky Mountains.

IDLE PRISONERS HAVE GONE MAD

Pittsburg. Aug. 27 .- The announcement is made that convicts are going insane by the wholesale in Riverside Penitentiary. Idle prisoners' frays Lincoln, Aug. 27.—Mr. Bryan declares in today's Commoner that the next fight of Democracy must be along the lines of Cleveland's victory. He says in part:

"The tims is passed for sham battles on the tariff question. The only victory we have won on the tariff in recent years was the victory of 1892, when we attacked the principle of protection. No real fight can be made until a distinct line is drawn between the opposing forces.

"The progressive Republicans cannot make a successful fight against the Aldrich element because both factions in the Republican party claim to be protectionists. It is only a question of degree, with no way of defining the issue. So with those Democrats who have become made and take away those who are hopelessly insane.

It is hoped in this way to get rid of some of the dangerous men and leave more employment for those who remain. Idleness, enforced by the Pennsylvania laws, which prohibit convict labor outside of the prison walls and with fellow convicts over real or im-
